The Problem

15 million

A lot of people suffering

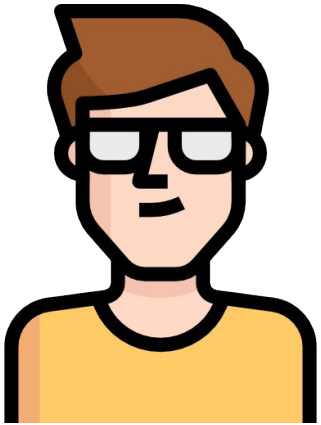
1 trillion

And there’s huge cost

28%

All from work

> It’s difficult to find topics when being introduced to the team. And after that first interaction, we just don’t talk about things apart from work.



Young professionals working in physical office space

Privacy - level of awareness across the company

Practice - participation in social events

Help - motivation to challenge themselves

Hi Tom! Did you watch Seahawk's game last weekend?
Oh yes! Are you a fan, too?
Huge fan. Probably gonna go watch in the condition for the next game
